PROFESSIONAL SUMMARY

Regulatory and quality professional and life-science business developer who both **builds compliant GMP/quality systems** and **wins new business**. Co-founded a pharmaceutical company, securing an **FDA-registered product with an NDC**, raising **\$2M**, and scaling to **~\$30K/month** in revenue. Now drives B2B business development for GMP and quality-compliance consulting across pharma, biotech, cell & gene therapy, medical device, and CDMO clients. M.S. immunologist with cross-border (Mexico–US) commercialization experience and native-bilingual English/Spanish.

CORE COMPETENCIES

- **Regulatory & Quality:** GMP/cGMP · GDP · GLP · Quality Management Systems (QMS) · CAPA (Corrective and Preventive Action) · Root Cause Analysis · Change Control · Deviation Management · SOP Development · ICH Q9 (Quality Risk Management) · 21 CFR · FDA Product Registration & NDC · IACUC Protocols & Compliance · Inspection Readiness · Mock Audits
- **Business Development & Commercial:** Pipeline Generation · Partnership & Alliance Management · Contract Negotiation · Account Management · Market Analysis · CRM (Salesforce, HubSpot) · LinkedIn Sales Navigator
- **Analytical:** Biostatistics (GraphPad Prism, SAS, R); data-driven decision-making
- **Languages:** English (native/bilingual), Spanish (native/bilingual), Portuguese (conversational)

PROFESSIONAL EXPERIENCE

GxP Engaged — Business Development, Quality & Regulatory Consulting

Cary, NC · Jul 2026 – Present

- Drive B2B business development for **GMP and quality-compliance consulting** across pharmaceutical, biotechnology, cell & gene therapy, medical device, and CDMO organizations.
- Generate **~25 qualified meetings and ~12 new client engagements per month** from a pipeline of **~100 targeted accounts (~12% conversion)**.
- Position specialized quality solutions — **CAPA effectiveness, root cause analysis, change control, Good Documentation Practices (GDP), data integrity (ALCOA+), SOP development, and QMS improvement** — and generate opportunities for **mock audits, inspection readiness, GMP training, deviation management, and ICH Q9 risk management**.
- Build relationships with **Quality, Compliance, Manufacturing, Regulatory, and executive decision-makers**; represent the firm at industry conferences to expand market visibility.

GliaBeauty — Co-Founder & Chief Executive Officer

Raleigh, NC (laboratories in Mexico) · Sep 2023 – Dec 2025

- Co-founded and led a regenerative-medicine venture (**team of 9**) structured as two affiliated entities — **CryoGen, LLC** (pharmaceutical, clinical trials & regulatory) and **GliaBeauty** (cosmetic products & marketing); **raised \$2M** and scaled to **~\$30K/month in revenue (~20,000 units/month)**.
- Directed **FDA product registration** and clinical-trial operations through the CryoGen pharmaceutical arm, securing a registered product with an assigned **National Drug Code (NDC)**.
- Established the **quality and regulatory processes** governing R&D, preclinical testing, and clinical-trial design across **US operations and Mexico-based laboratories**, enabling **cross-border (Mexico–US) commercialization and importation**.
- Negotiated and managed strategic partnerships with **Biogenics, Lumaclear, and Inclusive Health Irya Inc.**
- **Co-inventor** on a filed U.S. patent (skin-treatment compositions and methods; see Patents).

North Carolina State University, College of Veterinary Medicine — Laboratory Manager

Raleigh, NC · Jan 2019 – Mar 2026

- Managed laboratory operations, a **team of 3–4**, and **~\$300K/year** in sponsored research under GLP-aligned practices.
- Authored and optimized **SOPs and IACUC protocols**; designed and validated **5 in vivo models**, ensuring regulatory and animal-welfare compliance.
- Directed vaccine-candidate development and preclinical efficacy studies; conducted biostatistical analysis (SAS, R, Prism) to support data-driven decisions.

CEVA Santé Animale — Program Coordinator

Remote / Latin America & Europe · Jan 2019 – Feb 2026

- Coordinated an **international veterinary certification program** (delivered with NC State College of Veterinary Medicine), certifying veterinarians across **Latin America and Europe**; served as **bilingual liaison** for translation and clinical assistance.

Duke University Health System — Animal Care Technician

Durham, NC · 2018

- Ensured **IACUC compliance** for animal husbandry supporting clinical/preclinical trials.

Trofi Tropenfruchtimport GmbH — Quality Control Assistant

Hamburg, Germany · 2015

- Performed **quality-control inspections** and ensured **import/export compliance** for global fresh-produce supply chains; authored technical documentation.

Earlier: Laboratory Technician, Bohórquez Lab, Duke University (2016–2017) — gut-brain signaling research.

CERTIFICATIONS & TRAINING

- CITI Program — Responsible Conduct of Research (RCR)
- Duke University — Animal Research Coordinator

EDUCATION

- **M.S., Comparative Biomedical Sciences (Immunology concentration)** — North Carolina State University, 2025
- **B.S., Business Administration / Agribusiness Management** — EAP Zamorano, Honduras, 2015 — Valedictorian
